

Dr. Alicia Matayoshi, DMD
7807 Baymeadows Road
Jacksonville, FL 32256

To whom it may concern,

Our family has been going to Dr Matayoshi since September 2008. I started going to Dr Matayoshi first and spoke so highly of Alicia and Jill that my wife decided to switch the whole family to Dr. Matayoshi's office.

We thought it would be difficult switching our daughters since they had been going to their pediatric dentist for nearly six years; however they are her biggest fans. My daughters feel absolutely comfortable and safe at Dr. Matayoshi's office. They actually enjoy going to see Jill and Dr. Matayoshi even when they have to get a cavity filled!

Their caring attitude, gentle dentistry, and state-of-the art equipment were a refreshing change from our prior dental experiences. I highly recommend Dr. Matayoshi and her dental practice conveniently located on Baymeadows Road off of 9A and Gate Parkway.

Thank you,

Russ Goodman
